Here is what Betsy, Francine and I wrote up today. Let me know if anything needs to be changed or added. We are trying to keep these communications short. I plan to send this to the staff on Friday morning.

News from the BAT

So you know -- these are some of the topics we have discussed in recent meetings:

Tardies – After lots of conversation, thinking, and research on what other schools do the BAT has decided to make some recommendations to the staff. You will hear more soon.

Custodial concerns – no toilet paper, soap, paper towel, and general filth – for immediate remedies regarding supplies call or see a community assistant, and they can radio for someone to get some of what you need to your bathroom. Long term or recurring problems should be emailed to Tracey Lowder with copies to Tim Gruszczynski and Marios Demetriou.

Professional Development – Input is needed for PD planning purposes. Please be sure to make your thoughts/needs known using the Google Doc that Tracey sent out on the 12th. Do it by the 19th.

BAT meets again on November 20th. Please let us know if you have concerns.
